

**California Arts Council (CAC) - Statewide Programs  
Statewide Service Networks (SSN)  
Progress Report - 2006-07**

**Due August 1 & December 1, 2007.**

The SSN Program is a partnership between the CAC and statewide service organizations to promote the public value of the arts by realizing opportunities that enhance **community building through advocacy**.

Please include the questions below in your response.

- a. Summarize your current SSN achievements as they relate to the intent of your grant:
  - Community Building through Advocacy:
    - To work with the CAC in advancing a statewide arts agenda, and to further the interests(s) of your constituent base;
    - Expand communication and participation of your membership and field;
    - Represent the specific interests of your field.
- b. Describe factors or circumstances (positive or negative) within your organization's environment that affect progress toward achieving your goals.
- c. In what ways is the community (ies) you serve stronger or a better place to live because of your work through this grant? Share your success story (ies).
